

TimberTransportForum

delivering solutions for a growing UK harvest

**PLEASE DON'T
DRIVE IN
CONVOYS.**

**WAIT A
MINUTE**

TimberTransportForum

delivering solutions for a growing UK harvest

HANG BACK UNTIL YOU CAN'T SEE A TIMBER TRUCK AHEAD.

**On the public roads, leaving a minute
between timber lorries**

- **is less daunting for pedestrians and motorists on narrow roads**
- **makes it easier for motorists to pass and overtake**
- **helps fragile roads to recover, reducing the risk of damage to the road.**

THANK YOU
