Timber Haulage Academy

An exciting opportunity to experience timber haulage and gain CPC+F module certification...

TIMBER HAULAGE ACADEMY

KILLOCH TRAINING CENTRE, CUMNOCK, Ayrshire
28th FEB - 4th MAR

CANDIDATES WILL RECEIVE:

- +F CPC Qualification
- 2 Days timber crane training and familiarisation in a forest environment
- 2 days on forest and wood processor site visits

This course aims to provide a pathway into the forestry haulage sector and give candidates enough experience to:

- Make a decision on whether a career in timber haulage is for you.
- Generate a CV that includes qualifications and baseline experience as a starting point for applying for roles within the sector.
- Become more employable to timber haulage businesses.
