WORKING TOGETHER TO DELIVER A RESILIENT TIMBER TRANSPORT NETWORK

As timber harvesting volumes continue to grow across the UK, maintaining safe, efficient and sustainable transport networks is vital for forestry, rural communities and the wider economy.

The Timber Transport Forum Conference 2026 will spotlight partnership in action, showcase innovation and provide practical solutions for the challenges and opportunities ahead.

PARTNERSHIP

Stronger collaboration between industry, authorities and government for better outcomes.

INNOVATION

Exploring new ideas, technologies and solutions that will shape the future of timber transport.

DECARBONISATION

Progressing lower emission transport and supporting the transition to a net zero future.

BEST PRACTICE

Sharing case studies and experience from across the UK and Europe.
